

Finance Analyst

About Pepper Advantage Ireland:

Pepper Ireland is a leading asset manager and provider of third-party loan and advisory services. Established in September 2012, the company has operations in Dublin and Shannon, employing over 550 people.

Pepper has over €30 billion of loan and commercial real estate assets under management. These are comprised of commercial real estate portfolios and residential mortgages, as well as personal, small, and medium enterprise (SME) and auto loans.

Pepper in Ireland is part of the Pepper Group, a diversified, global financial services business. Pepper Group focuses on three key disciplines across the residential and commercial property sectors: Lending, Advisory and Asset Management. Pepper Group is headquartered in Australia, where it has been operating since 2001.

About this Role:

The Finance Analyst looks after the cash receipts across upwards of 25 portfolios across both residential and corporate loans. Funds are received in a number of ways and must be processed with urgency on the day of receipt.
