

Income and Expenditure (I&E)

Guiding Principles for completing the I&E

1. We at Pepper are fully committed to working with customers who are in, or are facing, financial difficulties with their mortgage repayments in order that a mutually-acceptable arrangement can be agreed. We will actively encourage contact with such customers through media and printed material.
2. We have specially-trained personnel in our offices and branches, including specialised telephone contact points, to deal with customers facing or in financial difficulties.
3. This Income & Expenditure (I&E) is designed to assist you in setting out your current financial circumstances.
4. We consider that the completion of the I&E is a serious undertaking and we will work with you to ensure that the information is accurate, enabling us to work with you to determine the most appropriate and viable option in each particular customer case.
5. The easiest way to see where you stand financially is to gather all the relevant information and documents so that you can write down all the money you have coming in and going out each month and complete an I&E. (If your income is weekly, multiply it by 52 and divide the result by 12 to get your monthly income.)
6. In the I&E you will have to provide information on your current income, expenses and other amounts you owe and any assets you own. It is important that you include all of your basic living expenses. You are also encouraged to ensure that you are maximising your income, including what social welfare entitlements you may be eligible for.
7. It is important to fill out the I&E fully and accurately and to provide any relevant documentation that we may need to assess your situation; we will only seek information that is relevant to this assessment.
8. Your completed I&E and other factors relating to your case will be assessed by our Arrears Unit which will decide whether or not an alternative repayment arrangement is necessary and, if so, what type(s) of alternative repayment arrangement(s) appropriate to your circumstances can be made available.
9. If an alternative repayment arrangement is not offered to you, we will give you a reason for that decision.
10. If you require further information, you can seek independent advice from MABS (www.mabs.ie) or an appropriate alternative. If you give us your written consent we will liaise with a third party, nominated by you, to act on your behalf.
